

The Emergency Food Bank (EFB) invites you to team up with us for the 13th Annual Run and Walk Against Hunger on Thanksgiving morning, November 23, 2017. Proceeds from this annual event helps the EFB continue to deliver services to families in need. Attached is additional information highlighting the benefits of becoming a sponsor.

The event will once again begin and end at the Stockton Ports Ballpark in beautiful downtown Stockton. With approximately 3,000 runners and walkers expected for this event, your sponsorship has the opportunity to gain mass community exposure. Additionally, several hundred spectators also attend to cheer on the participants. This event has become a tradition for many families on Thanksgiving morning. It is a great way to kick off the holiday season while supporting the EFB and its many services.

In 2016, the EFB provided over 6,000,000 pounds of food to over 200,000 San Joaquin County residents. Additionally, we supply 27 community-based organizations with food for distribution and our Mobile Farmers Market visits 58 sites throughout San Joaquin County to provide fresh fruits and vegetables. Your partnership allows us to continue to make an impact in our community.
